**ADMINISTRATIVE LAW JUDGE'S RULING
TREATING DATA REQUESTS AS IF SERVED
ON JUNE 24, 2005**

On June 22, 2005, the assigned Administrative Law Judge was sent a letter from counsel on behalf of Pac-West, Level 3 Communications, Telscape, and Qwest Communications. As indicated in the letter, the Joint Applicants delivered data requests to each of these parties, requesting a response by June 24, 2005, the date that intervenor testimony is due. In the letter, counsel states that it will not be possible for any of these parties to object or respond, as appropriate, to each data request by June 24, 2005, given the parties' limited resources and the broad scope of the data requests. Pursuant to their letter, these parties therefore request that the Applicant data requests be treated as if they were served on June 24, 2005. By prior ruling, a similar treatment was applied to data requests submitted to The Utility Reform Network and the Office of Ratepayer Advocates.

Under the circumstances, the parties' request is reasonable and shall be granted. In order to maintain the current schedule while allowing Applicants sufficient time to receive and review pertinent responsive materials, the above-named parties shall be required to produce responses to the Applicant data requests by July 1, 2005, unless Applicants and parties mutually agree to alternative arrangements.

IT IS RULED that:

1. The data requests served by Applicants on the above-named parties shall be treated as if they were served on June 24, 2005.
2. The above-named parties shall provide responses to the referenced Applicant data requests by July 1, 2005 unless Applicants and parties mutually agree to alternative arrangements.

Dated June 23, 2005, at San Francisco, California.
